Re: HSCA # 180-10087-10362

Dear Jane:

I am writing to notify you of an amendment to the *Federal Register* notice of ARRB determinations from the December 12 and 13, 1995 meeting.

The copy of the Investigation Interview of Tony Zoppi that was open at Archives II before the Board's vote contained Tony Zoppi's address in two separate locations. It did not contain Zoppi's Social Security number.

The copy of this document given to us by the USSS contains Zoppi's address in two locations *and* his Social Security number.

Since the Social Security number should be postponed, the ARRB will send an amended notice to the *Federal Register* to indicate that the document is postponed in part rather than open in full.

Sincerely yours,

David G. Marwell
Executive Director
