Re: Assassination Records Review Board Request for Additional Information No. SS- 4 and  
US Secret Service Response of July 10, 1996

Dear Jane:

I am writing in regard to your letter of July 10, 1996, which responded to our request for additional materials (SS-4). Specifically, on page 2, you stated that volumes of *The Record* for the years 1960-1964, were already at the National Archives.

We have not been able to locate volumes of *The Record* for the period after 1959. I have enclosed a letter from David A. Pfeiffer of the Textual Reference Branch indicating that NARA does not have custody of *The Record* for the post-1959 period.

If these volumes are located elsewhere in the Archives, please let us know where they are. If *The Record* for the years 1960-1964 is not in the Archives, we request that you make them available for our inspection. We also request that you review the volume covering 1965 for any references to the Kennedy assassination or the Warren Commission.

We appreciate your help in this matter.

Sincerely yours,

David G. Marwell  
Executive Director
