Jane Vezeris indicated to David that the Secret Service would be unable to meet the Review Board's second 60-day deadline (September 23, 1996) for evidence regarding mental health information on the threat sheets and two memos by Eileen Dinneen. Vezeris stated that the Secret Service would provide this information before the October 15, 1996 meeting. Does the Review Board wish to have a briefing from Jane Vezeris? [See green tab in Director's briefing book for now open material on mental health information.]
