Re: USSS Request for Charge-Out Cards for Assassination Records Listed in April 29, 1996 Letter

Dear Jane:

I am writing in response to a request from Ann Parker regarding the numbered documents on page 2 of my April 29, 1996 letter to you. This letter listed assassination records reviewed by the Assassination Records Review Board at its April 16-17, 1996 meeting.

Along with the list of assassination records, my letter included copies of charge-out cards for "Unnumbered Documents" and 338 letters from the public. In specifying additional assassination records, I listed document numbers assigned by the Secret Service under the category "USSS Documents."

Ann Parker has requested copies of charge-out cards for the numbered USSS Documents as well. I am enclosing copies of charge-out cards for the 80 numbered USSS Documents.

Sincerely yours,

David G. Marwell  
Executive Director
