March 29, 1963 report: Supplemental Survey Report: Postcard threat received in Chicago office threatening President's life in motorcade from O'Hare to Conrad Hilton Hotel. As a precaution, two additional motorcycles were employed in the motorcade flanking the President's limosine at the right and left rear fenders. Six motorcycles surrounded the limosine. The SS follow-up car rode the right rear fender and the Mayor's follow-up car with 4 detectives and SA Lawton rode the left rear fender.
