Dear Dr. Peterson:

I am writing to request your permission to see a report currently in the process of preparation by the National Archives. Specifically, I would like to see the report on Secret Service records being prepared by Bonnie Curtin, management analyst. In conversations with her and with Marc Wolf, Joan Zimmerman of my staff has learned that her report will be available sometime in the Fall as a National Archives publication.

Since the Assassination Records Review Board is now moving forward with the review process, we are seeking to establish that all Secret Service records that come within the definition of "*assassination record*" are identified. Ms. Curtin's report would be a very helpful source in this process, and we would very much appreciate the opportunity to see it within the next two weeks if at all possible.

Thank you.

Sincerely yours,

David G. Marwell
Executive Director
