Re: US Secret Service Letter of December 4, 1996

Dear Jane:

I have received your letter of December 4, 1996, regarding two documents [154-10002-10422 and 154-10002-10423]. These numbers refer to two US Secret Service protective surveys for President Kennedy's trips in 1963. Your letter acknowledges receipt of my letter to Director Bowron of December 2, 1996, and my letter to you of December 3, 1996.

I am writing to clarify the *Federal Register* announcement for the November 13-14, 1996 meeting of the Assassination Records Review Board. The Review Board voted not to sustain any postponements in the two protective surveys [154-10002-10422 and 154-10002-10423]. The Review Board's vote will be noticed in the *Federal Register*, a copy of which I have enclosed with this letter. You have seven days from the date of publication to appeal the Review Board's determination.

Your letter also acknowledges my letter of October 21, 1996, which itemized other documents where the information you wish to postpone is open to the public. Since you have indicated that you do not wish to reconsider your postponement requests, please clarify your response to the Review Board's vote by December 18, 1996.

Thank you for your attention to this matter. If you have any questions, please call me.

Sincerely yours,

David G. Marwell
Executive Director
