Re: US Secret Service Letters of December 11, 1996

Dear Jane:

I am writing to respond to the issues raised in your letters of December 11, 1996, regarding an address of a Secret Service Special Agent and a document opened by the Assassination Records Review Board at its November 13-14, 1996 meeting.

The Review Board considered your letter of October 25, 1996, and Steve Tilley's decision to withdraw the document containing the address in question. Given the new facts pertaining to this document, and consistent with past actions, the Review Board will notice the postponement of the agent's address in 154-10002-10415 in the *Federal Register*. According to the Final Determination Form attached to 180-10080-10276, that agent's address has already been postponed until January 2006.

At its December 16-17, 1996 meeting, the Review Board considered your letter of December 11, 1996, regarding Record #154-10002-10353. The Review Board voted to open this document in full at the November 13-14, 1996 meeting and has decided not to reconsider its previous vote. Please let us (and the White House) know as soon as possible if you plan to pursue an appeal of the Board's determinations.

If you have any questions about these issues, please call me.

Sincerely yours,

David G. Marwell
Executive Director
