Re: Request for Information No. SS-10: Files on Individuals Requested by the HSCA

Dear Jane:

This letter constitutes our tenth formal request for additional information and records under the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107 (Supp. V 1994), (The "Act").

I am writing to request that you make available the files that were requested by the House Select Committee on Assassinations. A list of names of individuals whose files were requested appears in a letter from G. Robert Blakey to Robert Goff, March 1, 1978. [See HSCA-US Secret Service correspondence 180-10125-10002]. Because these records were requested by the House Select Committee on Assassinations, they are "assassination records" under the definition of the Act. The names requested by the HSCA are listed on the enclosed sheets.

This request includes any material classified as "COS" that is associated with these files.

We request that you prepare data disks and any records on which you wish to take postponements in accordance with the procedures outlined in our May 29, 1996 letter. We request that you complete your examination of these records by January 7, 1997, so that the Review Board can make its final determinations.

We appreciate your assistance in this matter.

Sincerely yours,

David G. Marwell
Executive Director
