Re: Request for Information No. SS-8: Personnel Files and Internal Review Files

Dear Jane:

This letter constitutes our eighth formal request for additional information and records under the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107 (Supp. V 1994).

I am writing to request that you make available for our review all personnel files, closed case files, internal security files, and any other files in your possession relating to the following Secret Service employees: Thomas Kelley, William Robert Greer, and James Fox. In addition, we are interested in any records in your collections that document the Secret Service's internal review of its agents in 1963 and 1964.

In our letter of April 8, 1996 (SS-5), we requested the files of Roy Kellerman and Edward Tucker, and on June 7, 1996, we explained that we are interested in the Service's internal security review of its own agents following the assassination. I am requesting that these files be made available for review to two members of our staff, Jeremy Gunn and Joan Zimmerman.

This request includes any material classified as "COS" that is associated with these files.

By making this request, we are not designating these materials "assassination records."

If it would be more convenient for you to have members of my staff visit your offices rather than presenting the originals of these records in our office, please suggest a time when these files could be available for review.

We appreciate your assistance in this matter.

Sincerely yours,

David G. Marwell
Executive Director
