Re: Follow-up to Our Request for Information No. SS-5 (Closed Case Files in
Accession No. 87-5-8)

Dear Jane:

I am writing to follow up and broaden our request for closed case files on Secret Service personnel. In our letter of April 8, 1996, we requested the files of Roy Kellerman and Edward Tucker, and on June 7, 1996, we explained that we are interested in the Service's internal security review of its own agents following the assassination.

I am now supplementing my request to include the files of three more agents: Thomas Kelley, William Robert Greer, and James Fox. I am requesting that these files be made available for review to two members of our staff, Jeremy Gunn and Joan Zimmerman.

In addition, we are interested in any records in your collections that document the Secret Service's internal review of its agents in 1963 and 1964.

If it would be more convenient for you to have members of my staff visit your offices rather than presenting the originals of these records in our office, please indicate a time when these files could be available for review.

We appreciate your assistance in this matter.

Sincerely yours,

David G. Marwell
Executive Director
