

ONGOING USSS ISSUES

1. October 21, 1997 letter from Jeremy Gunn re: SS equities in FBI documents.

USSS requested to respond by January 1, 1998.

2. November 7, 1997 letter re: USAF's referred document that they wish to argue for postponements. Should be addressed at next board meeting.
3. Response letter to professor from Idaho re: Forrest Sorrels.
4. Did anyone ever speak with Mr. Krill?
5. Re: August 19, 1996 letter pertaining to Board action in August. Did the USSS ever respond regarding postponements? We have heard back on one file (BHF) - but not yet on other files and documents.
6. I need to go through list of USSS records at the JFK collection as provided to Ron Herron on August 8, 1997.
7. Record Group 87 at National Archives ???
8. Other Places Folder - Is there an issue here? See letter from ARRB dated October 21, 1996. (Note - review Jane Vezeris' letter from Dec. 20, 1996).
9. Determine whether or not materials re: Mexico City (given to me by Irene Marr) have been processed????? File No. 1-16-602.111 Note: possible drinking incident? We should determine if there was more information generated at USSS - cross check any file numbers, etc. Note: These materials also reference "Charlie" base stations.
10. Have we requested Behn and Wildey's files? What about Boring?
