

ISSUES FROM 12-10-97 MEETING

1. Ask Machado about the information we received from Chief Rowley's widow regarding the USSS's visit to their home in 1992. Said visit was video-taped. Tell Machado that we will be following this up with a formal request.
2. Referral issues - we ought to know where they are on things....
3. SS records which they have which are still in need of processing.
4. The Record
5. Log Issues - usher logs - all the logs. Discuss the possibility of having a mass Meeting with the different libraries and USSS and ourselves re: the logs.
6. PSR's - 1961-1962 - For us, there is an issue as to whether these are assassination Records. We may pose the question to them - if these are not particularly sensitive, then what do you think? Jeremy suggested the idea of one RIF for all of them.
7. Where do we stand on the Eileen Dineen threat sheets?
8. Check the HSCA card file re: Letters to Secret Service
9. We may be sending another request regarding search of Field Offices (Chicago/ Miami/Dallas/New Orleans/Washington)
10. Request for file CO-2-34007 (file relating to General Walker) (Hand Deliver a new request)
11. FOR ME: Find all inventories regarding records. Bring this up with MACHADO.
12. Has Machado found anything pertaining to the BERLIN PSR?
13. Has he found anything pertaining to the Other Reports file?
14. KIM - Come up with a plan regarding what we should do with regard to deposing people who had something to do with the BOX 1 and 6 issue.

15. I may want to go out to Center Point and take a look at their records.....
16. USSS should provide documentation as to how they used radio to communicate with the President.

17. Review MILTEER et. Al to see if Board should designate these as ass. Records..

18. Find Memorandum that we have on Bouck and decide whether we wish to re-interview him.
