Re: NADDIS Search Results

Dear Kevin:

As we discussed yesterday, I have amended the list of names that we sent to you last week. I have removed from the "Negative Search Results, 1995" category those names which in fact yielded positive results in your summer, 1995 search. The list now contains only names which yielded no file reference, or names which yielded a file reference not in existence at the time of the HSCA. I hope these changes address your concerns.

I have also enclosed copies of HSCA staff notes on Lester Benjamin Binion. I look forward to hearing from you.

Sincerely,

Kevin G. Tiernan
