Enclosed are completed OFs-11 identifying U.S. Customs documents that we will be reviewing tomorrow, November 1, 1995.

As we discussed by telephone today, I work for the JFK Assassination Records Review Board. I have made contact with the U.S. Customs Service and I have received from them permission for Review Board staff members to review U.S. Customs documents in the Washington National Records Center. Some of the documents we are requesting may contain classified material. U.S. Customs has evidence of our top secret security clearances and has agreed to allow us to review their documents. If you have any questions about our authority to review these documents, please contact Bruce Miller at the U.S. Customs Service at (202) 927-0470.

Tomorrow morning, I will be coming on the 10:30 shuttle with one other member of the Review Board staff. One U.S. Customs Service staff member will accompany us.

If you have any questions, please give me a call at (202) 724-0088. As I stated above, our contact person at the U.S. Customs Service is Bruce Miller. He has indicated that he is willing to answer any additional questions you may have.

Thank you for your help.
