Re: Additional Information Request No. FBI-53 (Legat Liaison with CIA)

Dear Carol:

The ARRB staff requests access to any and all Headquarters and Mexico City Legat files for liaison with the CIA *in Mexico City* for the years 1960-1965.

If records responsive to this request have already been processed or have been designating for processing under the JFK Act, please identify those records for us and advise at what stage of processing the records are now.

Thank you for your continuing cooperation.

Sincerely,

T. Jeremy Gunn
Executive Director
