Re: Additional Information Request No. FBI-54 (Personnel Files of William Temple Forsyth and Vinicio Henry Nasca)

Dear Carol:

The ARRB staff requests access to the Headquarters personnel files of the following FBI employes for the years 1963-1964:

- (a) William Temple Forsyth, and
- (b) Vinicio Henry Nasca.

These two individuals are referenced in the FBI's JFK assassination investigation file, 62-109060, serial 1396, that Laura Denk discussed with you and then faxed to you earlier this week.

As always, thank you for your cooperation.

Sincerely,

T. Jeremy Gunn
Executive Director
