Re: Assassination Records Review Board Privacy Act Regulations and Privacy Act
Systems of Records Notice

Dear Sir or Madam:

Enclosed are three copies each of the Assassination Records Review Board Privacy Act Regulations and the Review Board's Privacy Act Systems of Records Notice for publication in the Federal Register.

You will also find two disks, each containing one of the documents in a Word Perfect 6.1 format. The original documents were printed from the documents on disk.

Please call Laura Denk at the Review Board at (202) 724-0088 with the publication date, or with any questions you may have about the Review Board's submissions.

Thank you for your attention to this matter.

Sincerely,

David Marwell
Executive Director
