Re: Designation of Assassination Records Review Board Staff Members as Alternate Liaison Officers to the Office of the Federal Register

Dear Mr. Claypool:

Barbara Suhre of your office suggested that the Assassination Records Review Board (Review Board) send a letter to you designating additional Review Board staff members to serve as alternate liaison officers to the Office of the Federal Register. In addition to David Marwell, Executive Director, the Review Board designates Jeremy Gunn, Associate Director of Research and Analysis and Acting General Counsel, and Laura Denk, Attorney-Analyst, as Review Board staff members available for liaison with the Federal Register.

Barbara Suhre also mentioned that your office provides training to those who serve as liaison with the Office of the Federal Register. We are interested in participating in any training in Federal Register practice and procedure that your office provides.

Thank you for your attention to this matter.

Sincerely,

David Marwell
Executive Director
