Re: Internal Revenue Service Equities in Senate Select Committee on Intelligence Records

Dear Ms. Stiff:

The staff of the John F. Kennedy Assassination Records Review Board has identified a document in the files of the Senate Select Committee on Intelligence that we intend to present to the Review Board for review of postponements at the Review Board meeting on August 25 and 26, 1998. The document we identified is attached to this letter and contains IRS equities. We are identifying this document to you now so that you can decide whether you wish to release the information, identify the information as tax return information, or postpone release of the information.

So that we may adequately prepare our presentation to the Review Board with the benefit of any submission you wish to make, please submit evidence or arguments in support of any postponements you assert in writing on or before August 21, 1998.

If you have any questions regarding the documents identified on the enclosed forms, please call me or Ron Haron of the Review Board staff at (202) 724-0088. Thank you, in advance, for your cooperation.

Sincerely,

Laura Denk, Esq.
Executive Director
