Dear Joe:

I am pleased that we were able to work out a solution that provided you with the information you were seeking concerning the October 25, 1995 meeting between Review Board staff members and Department of Defense employees. As we discussed, I am identifying a list of the Review Board attendees at the meeting and am listing offices of the components of the Department of Defense that attended. The Review Board staff members who attended the meeting were myself, Tim Wray, Dennis Quinn, Doug Horne, and Christopher Barger.

I am also enclosing the October 25, 1995 correspondence between the Review Board and the Department of Defense setting up the meeting.

I hope this information is of assistance to you.
