

## MEMORANDUM

July 24, 1996

To: David Marwell  
T. Jeremy Gunn  
Phil Golrick

From: Laura Denk

Subject: Follow Up on Metropolitan Crime Commission Records

I called Anthony Radosti of the Metropolitan Crime Commission (MCC) today to follow up on my July 22 conversation with him. (See my July 22, 1996, memorandum summarizing the call.) I told him that I had talked to Jeremy and to Phil and had confirmed that we would be in New Orleans the week of August 12, 1996, to finish our work with the MCC records. Mr. Radosti said that he would be available to meet Review Board staff at the Records Management warehouse on the morning of Monday, August 12, 1996.

I also called the Records Management warehouse to tell them that we expected to begin the copying process on Monday morning, August 12, and that they should alert the temporary agency. Phyllis assured me that she would give my message to Louis Monte and that he would return my call tomorrow.
