Dear Mr. Owen:

I am writing to thank you for providing additional assistance to the Assassination Records Review Board. The copies of the U.S. Embassy, Moscow telephone lists for June 1959-February 1962 will be very useful for our research. We will place copies of these telephone lists in the JFK Collection at the National Archives and Records Administration in College Park, Maryland. These lists will be of interest to future researchers and historians. We appreciate your help in clarifying the historical record.

Should you have any questions or come across any additional information which may be of help, please do not hesitate to contact us. Thank you again for your assistance.

Sincerely,

K. Michelle Combs
