TO: Debbie Beatty, JFK Task Force, Federal Bureau of Investigation

cc: Claudia Collins, National Security Agency

FROM: Manuel E. Legaspi  
Analyst/JFK Assassination Records Review Board

SUBJECT: Transmittal of NSA Documents to FBI

Enclosed you will find two NSA documents that were found through a search of NSA archives per the requirements of the John F. Kennedy Assassination Records Collection Act (P.L. 102-256).

Attached you will find record identification forms (RIFs) and highlighted copies (reflecting NSA's protected equities) for the following documents:

#144-10001-10159 and #144-10001-10172.

These documents are being referred to you so that you can conduct a review for your agency's equities prior to official Review Board action. Please return the enclosed materials to the ARRB after your review so that we can continue with the processing of these documents.

Should your agency request additional redactions, please indicate so by bracketing the items you wish to protect on the enclosed highlighted copies.

Be advised that NSA has no objection to the release of these documents, as redacted.

Thank you for your cooperation.
