

## GENERAL ISSUES FOR GOODPASTURE INTERVIEW

- **Organization of the Station and Embassy**
  - \* Number of personnel and responsibilities for the specific areas
  - \* Liaison with other agencies in the embassy
  - \* Standard operating procedures for communicating with outside locations
  - \* Organization of filing system - centralized/decentralized
  - \* Scott's view on maintenance of files and the status of files after Scott's and Goodpasture's departure from Mexico City
  
- **Length of Tour of Duty in Mexico City**
  - \* Employee who had been in Mexico City the longest other than Scott
  - \* Knowledge about the station and the operations
  - \* Mexico City History
  
- **Job Description and Responsibilities**
  - \* Relationship with Win Scott - conflicting evidence
  - \* Role in decision-making process- conflicting evidence
  - \* Knowledge about photo and electronic surveillance operations -the difference between the two bases - daily resuma - involvement of TSD(records!)
  - \* Knowledge about operations other than those described on fitness reports
  - \* Perception of other employees in the Station
  
- **Size and Nature of Operations**
  - \* Extent of compartmentation in the station
  - \* Hierarchy within the station as well as within each section - chain of command
  - \* Relationship with JMWAVE, Special Affairs Staff, and NSA(records!)
  - \* Scott's rapport with headquarters
  
- **Investigation of Oswald- Pre and Post Assassination**
  - \* Treatment of U.S. citizens when picked up over the taps
  - \* Circumstances surrounding the comparison between the photographs and the intercepts
  - \* Voice comparison - conflicting evidence
  - \* Treatment of Silvia Duran - existence of transcripts of interrogation - P-file
  - \* Circumstances surrounding missing photo production log/contact sheet
  - \* Existence of tapes - conflicting evidence - 11/23/63 cable
  - \* Discrepancy between Scott's manuscript and the events depicted by CIA
  
- **Miscellaneous**
  - \* Circumstances surrounding Angleton's trip to Mexico City to empty Scott's safe

\* Suggestions for other places to look for records and for other individuals to interview
