File of HSCA correspondence to Postal Inspection Service regarding Postal Service matters

- There are two issues discussed in this correspondence: 1) HSCA requested a copy of "Q103", a letter dated 1963 and identified in FBI documents, and the Chief Postal Inspector fulfilled this request; and 2) HSCA requested a forwarding address for Mr. John Hart Ely, and an Officer-In-Charge employed with the U.S. Postal Service informed the Committee that Mr. Ely never filed a change of address.
