RE: ARRB Requests for Evidence

Dear John:

Among our outstanding requests for evidence is one sent to you on July 31, 1995, for a CIA document which contains FBI equities.

In our continuing review of CIA records, we have identified three other documents which also contain FBI equities. The ARRB staff believes it would be appropriate for the FBI to provide evidence for any postponements it wishes to retain in these documents at the same time it does for the CIA document subject to the earlier request.

Copies of these documents and corresponding request for evidence forms are enclosed.

As you know, although the enclosed request for evidence forms suggest that you submit such evidence or arguments in writing, we will be happy to discuss with you any other means of presentation that may be more convenient or practicable (e.g., formal presentations to, or informal meetings with ARRB staff members).

Sincerely yours,

David Marwell  
Executive Director
