RE: Follow-Up to Additional Information Request No. FBI-7 (Presidential Protection)

Dear John:

By letter dated August 15, 1995, the ARRB requested access to material from several files. As you are aware, you have given us access to the requested material from HQ files 62-27799 (Secret Service Liaison) and 62-86607 (Presidential Protection). We hope to present material from these files to the Review Board at its October 23-24 meeting for determination as to what extent, if any, such material constitutes assassination records under the JFK Act.

In the same August 15, 1995 letter, we requested access to material from HQ 62-109717, HQ 94-37374, and HQ 62-106364. To date, we have not received access to the former two files or to Section 5 of the 62-106364 file. We understand that efforts to retrieve these files are ongoing.

As always, thank you for your cooperation.

Sincerely yours,

David Marwell
Executive Director
