Re: Additional Information and Records Request FBI-37 (Warren Commission Staff)

Dear Carol:

The ARRB staff requests access to Headquarters file references to the following individuals during the period November 1963 through December 1964: J. Lee Rankin; Joseph A. Ball; and Leon D. Hubert, Jr.

We also request a statement whether the FBI opened any files, individually or collectively, on the other individuals who were Assistant Counsels or Staff Members for the Warren Commission because of their employment by the Warren Commission. These individuals are identified in the enclosed page.

If records responsive to this request have already been processed or have been designated for processing under the JFK Act, please identify those records and advise us of their current processing status.

As always, thank you for your cooperation.

Sincerely yours,

David G. Marwell
Executive Director
