RE: Additional Information Request No. FBI-6 (Cuban Counter-Intelligence Program)

Dear John:

The ARRB requests access to the following material for the time period from 1961 to 1964:

- (1) Headquarters file 105-99938, subject: "Cuban Matters -- Counter-Intelligence Program -- Internal Security -- Cuba;" and
- (2) Any other Headquarters files documenting efforts by the FBI or other agencies of the U.S. government to disrupt, discredit or bring into disrepute the Fair Play for Cuba Committee or its members or activities.

Our review of the redacted copy of Headquarters file 105-99938 in the FBI FOIA reading room indicates that some of the serials in the requested material may be assassination records or may assist the ARRB in identifying and locating assassination records.

We would appreciate access to this material on an expedited basis, so that, if appropriate, the question whether any part of this material constitutes "assassination records" may be presented to the Review Board at its September 20-21 meeting.

As always, thank you for your cooperation.

Sincerely yours,

David Marwell

Executive Director
