RE: ARRB Review of Documents from FBI Files, July 17-18, 1995

Dear John:

Enclosed is a copy of a letter, dated June 9, from me to Mr. Terry O'Connor of the FBI. As the June 9 letter states, the ARRB staff intends, on July 17-18, to present a number of documents from FBI files to the Review Board for decision on claimed postponements (and "Not Assassination Related" -- or "NAR" -- determinations) in those documents. The CIA appears to have equities in information now postponed or withheld in several of these documents. Documents in which the CIA appears to have equities are specifically identified on page two of the enclosed June 9 letter, as well as on the enclosed forms.

Since sending the June 9 letter, the ARRB staff has identified the following additional documents from the FBI files as having CIA equities: HQ 105-82555-355 (duplicated at NY 105-38431-189, -190, -191; DL 100-10461-1009, -1010) and HQ 105-82555-2101 (duplicated at DL 100-10461-4015).

These documents also will be presented to the Review Board at the July 17-18 meeting. The appropriate forms are enclosed for this document and its duplicates. We understand from our meeting on June 13 that you will send people to the Bureau to review these documents.

As discussed in the June 9 letter, we request that by July 10 you submit to the ARRB staff whatever document-specific evidence or arguments you may wish with regard to your equities in these documents. Although the enclosed forms suggest that you submit evidence or arguments in writing, we will be happy to discuss with you other means of presentation that may be more convenient or practicable (e.g., formal presentations to, or informal meetings with, ARRB staff members).

As always, thank you for your cooperation.

Sincerely yours,

David Marwell
