

MEMORANDUM

March 6, 1997

To: Carol Keeley
JFK Task Force, FBI

From: Phil Golrick
ARRB

Subject: Processing of HQ File 94-37374 on John F. Kennedy

As you will recall, the FBI has agreed to process this file in full under the JFK Act. Yesterday, Steve Tilley advised that members of the public have asked him whether this file has been transferred to the National Archives and when it will be made available to researchers. In view of the interest that the public has expressed in this file, the ARRB requests that the JFK Task Force make its processing a "high priority."

We have one set of photocopies of the contents of this file in the secure area within our offices. If this set of photocopies would assist you in processing this file, we will gladly return it to you.

As always, thank you for your cooperation.
