

Records from the FBI HQ file on liaison with the Secret Service (62-27779):

Last year, the Review Board determined that all records in this file from the years 1963 and 1964 should be processed under the JFK Act. Accordingly, all records in section 7 and records in section 8 dated 1964 should be processed under the JFK Act.

The ARRB staff recommends that the following records in section 5 should also be processed under the JFK Act:

serial 332;

not recorded (12/16/55);

not recorded (5/1/58);

not recorded (4/3/58);

not recorded (9/29/58);

serial 357;

serial 360;

not recorded (3/9/61);

serial 373;

serial 382;

serial 383;

serial 384; and

serial 385.

The ARRB staff recommends that the following records in section 6 should also be processed under the JFK Act:

serial 394;

serial 400;  
serial 402; and

serial 404.

The ARRB staff recommends that the following records in section 8 should be processed under the JFK Act (in addition to all records dated 1964):

not recorded (1/8/65);

serial 515;

not recorded (1/18/65) (Wannall to Sullivan);

not recorded (1/19/65);

not recorded (1/26/65);

serial 517;

not recorded (2/5/65);

not recorded (2/19/65);

not recorded (2/8/65);

not recorded (2/4/65);

not recorded (3/24/65);

not recorded (3/29/65);

not recorded (4/6/65);

not recorded (4/5/65);

not recorded (4/8/65);

serial 524;

serial 530;

not recorded (6/16/65);  
serial 538;

not recorded (6/17/65); and

not recorded (6/6/65).

The ARRB staff recommends that the following records in section 9 should also be processed under the JFK Act:

serial 542;

not recorded (7/13/65);

not recorded (7/8/65);

not recorded (7/9/65);

serial 547;

serial 548;

serial 550;

serial 551;

not recorded (12/2/65);

serial 556;

not recorded (12/21/65);

not recorded (1/20/66);

not recorded (3/11/66);

serial 568;

not recorded (4/12/66);

not recorded (4/22/66);

not recorded (5/3/66);

not recorded (7/1/66);

not recorded (6/22/66); and

not recorded (6/6/66).

The ARRB staff recommends that the following records in section 10 should also be processed under the JFK Act:

not recorded (2/15/67);

not recorded (2/13/67);

not recorded (10/21/66);

not recorded (10/18/66);

not recorded (10/7/66);

serial 602;

not recorded (5/1/68); and

serial 637.

Records from FBI HQ file on Presidential protection (62-86607):<sup>1</sup>

Last year, the Review Board determined that all records in this file from the year 1964 should be processed under the JFK Act. (There are no pre-1964 records in this file.) Accordingly,

---

<sup>1</sup>We have observed that there is considerable overlap among the contents of this file, of HQ file 62-27799 (Secret Service liaison), and of HQ file 62-109717 (Dillon Commission). For this reason, we suggest that assassination records in these three files be processed together.

all records in section 1 and records in section 2 dated 1964 should be processed under the JFK Act.

The ARRB staff recommends that the following post-1964 records in section 2 should also be processed under the JFK Act:

not recorded (2/19/65);

serial 73;

not recorded (2/5/65);

not recorded (2/4/65);

not recorded (2/3/65);

not recorded (3/11/65);

not recorded (3/25/65);

not recorded (3/18/65);

not recorded (3/8/65);

not recorded (3/9/65); and

not recorded (2/26/65).

The ARRB staff recommends that the following records in section 3 should also be processed under the JFK Act:

not recorded (5/7/65);

not recorded (5/4/65);

not recorded (7/15/65);

not recorded (4/21/65);

not recorded (7/15/65);

not recorded (7/8/65);

not recorded (7/13/65);

not recorded (7/7/65);

not recorded (7/26/65);

not recorded (9/3/65);

not recorded (2/25/66);

not recorded (4/22/66); and

serial 108.

The ARRB staff recommends that the following records in section 4 should also be processed under the JFK Act:

serial 117;

serial 118 (two memoranda dated 12/1/63 and 12/2/63); and

not recorded (11/11/67).

Records from FBI HQ File 100-395934 (Elizabeth Catlett Mora):

Sections 1, 3, 4, 7, and 8 contain no assassination records.

In section 2, the following records are recommended for processing under the JFK Act:

not recorded after serial 71 (1/8/63);

serial 73;

serial 74;

serial 75;

two documents not recorded after 76 (each dated 11/7/63);

not recorded after serial 76 (4/1/64);

not recorded after serial 76 (4/16/64);

serial 78;

not recorded after serial 80; and

not recorded after serial 80 (5/19/64) (including LHM).

In section 5, the following record is recommended for processing under the JFK Act:

not recorded after serial 107 (3/10/70) (with caption “Security Investigations of Individuals”).

In section 6, the only record recommended for processing under the JFK Act is serial 120.

Our request for file references to Elizabeth Catlett Mora, dated April 8, 1996, included both Headquarters and Mexico City legat files. To date, only Headquarters files have been provided in response to this request. Please make available any responsive Mexico City legat files.

Records from FBI HQ file on Charles Smolikoff, aka Charles Small (100-12632):

Sections 1, 2, 3, 6, and 8 contain no assassination records.

In section 4, the following records are recommended for processing under the JFK Act:

serial 178;

serial 179;

serial 180;

serial 181;

serial 184;  
not recorded (3/23/64);  
not recorded (4/1/64);  
not recorded (4/8/64);  
not recorded (4/9/64);  
not recorded (4/30/64);  
not recorded (5/12/64);  
not recorded (5/20/64); and  
not recorded (5/21/64).

In section 5, the following record is recommended for processing under the JFK Act:

serial 203.

In section 7, the following record is recommended for processing under the JFK Act:

serial 255.

In section 9, the following record is recommended for processing under the JFK Act:

not recorded (3/10/70).

None of the other microfilmed files retrieved in response to our request for records concerning Charles Small contains assassination records. These Headquarters files, which contain records from the 1930s, 1940s, and 1950s are numbered 43-9047, 46-7593, 49-2877, 52-63343, and 100-377033.

Our request for file references to Charles Small, dated April 8, 1996, included both Headquarters and Mexico City legat files. To date, only Headquarters files have been provided in response to this request. Please make available any responsive Mexico City legat files.

Records from FBI HQ file on Anti-Communist Party Activities (62-106364):

Sections 1, 2, 3, and 6 contain no assassination records.

In section 4, the only record recommended for processing under the JFK Act is serial 225.

We have not found section 4 among the files you have provided for review. Please make this section available to us also.

Records from FBI HQ file on Norman Redlich (140-29239):

We request that section 1 of this file be retrieved for our review.

It is recommended that all records in sections 2 and 3 be processed under the JFK Act.

Records from section 32 of the FBI HQ file on the Emergency Civil Liberties Committee (100-384660), retrieved in response to our request for records concerning Norman Redlich:

The following records are recommended for processing under the JFK Act:

serial 751;

serial 752;

all not recorded between serials 752 and 753;

serial 763; and

all not recorded between serials 763 and 764.

Records from FBI HQ file on Jessica Smith Abt (65-44184):

Section 13 contains no assassination records.

The following records in section 14 are recommended for processing under the JFK Act:

serial 181;

not recorded after serial 181 (9/30/63);

serial 183; and

serial 184.

In Section 15, the only record recommended for processing under the JFK Act is serial 206.

Records from FBI HQ files on John Abt:

The HQ file with the caption "Political Action Committee of the CIO . . . John Abt, Counsel" (57-407) contains no assassination records.

Sections 10 and 11 of the HQ file on Alexander Stevens (100-184255), which cover Mr. Stevens' activities during the years 1948-50 and include references to the Abts, contain no assassination records.

Please retrieve the sections of the main HQ file on John Abt (100-236194) for the requested time period, as well as references to Mr. Abt in other HQ, New York City, and New Haven field office files for the requested time period, per our request dated April 8, 1996.
