Re: Public Release of Church Committee Records Pursuant to the  
JFK Assassination Records Collection Act, 44 U.S.C. § 2107

Dear Mr. Lawrence:

I want to again thank the Senate Select Committee on Intelligence and its staff for forwarding numerous Church Committee transcripts to the Review Board so that we could secure their public release. Since my last letter to you, we have received many additional and important transcripts of the Church Committee. I appreciate the expedited pace with which these transcripts are being provided to us. We are working with the Center for Legislative Archives at NARA to process the assassination-related materials and to obtain the necessary agency approvals for public release under the JFK Act.

It is my hope we can continue this pace so that we can complete, by September 1998, the release of all Church Committee materials relating to President Kennedy's assassination.

Again, I would like to thank you and Jim Wolfe for your cooperation and for making this work under the JFK Act a priority.

Sincerely,

T. Jeremy Gunn  
Executive Director
