Re: Request, Under the JFK Assassination Records Collection Act, 44 U.S.C. § 2107, for
Information Regarding Church Committee Records of Senator Gary Hart

Dear Mr. Montgomery:

As I explained to you by phone, the Assassination Records Review Board ("Review Board") is attempting to secure the public release of records relating to President Kennedy's assassination. The Review Board is a five-member Presidential Board created by the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107 ("JFK Act").

As part of our efforts, we are attempting to identify any Church Committee records relating to the Kennedy assassination that remain closed to the public. As you know, Senator Hart was a member of the Church Committee and was a principal participant, along with Senator Richard Schweiker, in the investigation and preparation of the Church Committee's report on the Kennedy assassination.

Accordingly, please provide us with information as to the volume and contents of any records relating to Senator Hart's work on the Church Committee that may have been donated to the University of Colorado. In addition, please advise us whether these include any classified materials or materials that otherwise have restrictions on public access. We would appreciate your faxing to us any indices or finding aids to Senator Hart's Church Committee papers.
