

MEMORANDUM

July 7, 1998

To: T. Jeremy Gunn

From: Ronald G. Haron

cc: Church Committee File

Subject: Testimony of J.S.D. Eisenhower -- Portion of Eisenhower Ex. 1 Not
Believed Relevant to the JFK Assassination

This memorandum recommends that the Review Board postpone a portion of a Church Committee record as NBR (*i.e.*, not believed relevant to the assassination of President Kennedy). The record at issue is the accompanying exhibit to the July 18, 1975 testimony of John S.D. Eisenhower. Mr. Eisenhower's testimony relates in part to alleged foreign assassination plots being investigated by the Church Committee. The portion of the record postponed refers to a covert action (but *not* assassination), and that portion was not discussed as part of Mr. Eisenhower's testimony.
