Re: Department of Justice (Leadership Offices) Compliance with
the JFK Assassination Records Collection Act, 44 U.S.C. § 2107

Dear Ms. Pustay:

Thank you for submitting the Final Declaration of Compliance for the Department of Justice's Office of Information and Privacy ("OIP") (dated August 6, 1998), which sets forth OIP's final statement, under oath, regarding its compliance with the President John F. Kennedy Assassination Records Collection Act of 1992 ("JFK Act").

I am returning certain Department of Justice documents that have been considered by the Review Board and that may now be transferred to the JFK Collection at the National Archives. Two groups of documents are enclosed: (1) documents that have been opened in full by the Review Board and (2) documents in which the Review Board sustained DOJ's claimed postponements. This latter group of documents should be redacted in accordance with the Review Board's decision before being sent to the JFK Collection.
