

MEMORANDUM

September 24, 1997

To: File Containing SF-278 Forms
Ethics File 3.1.6

From: Ronald G. Haron
Assistant General Counsel and
Designated Agency Ethics Officer

Subject: Questions by Office of Government Ethics re Public Financial Disclosure Reports
(SF-278) of Brian Rosen and Ronald G. Haron

Pursuant to a September 17, 1997 facsimile sent from Ms. Cheryl Kane-Piasecki (attached hereto), the Office of Government Ethics ("OGE") asked for clarification with respect to several matters on Mr. Rosen's Incumbent Report and my New Entrant Report.

As requested by OGE, I annotated my New Entrant Report to disclose the exact amount of my 1996 salary from Howrey & Simon and provided that information by phone to Ms. Kane-Piasecki.

As requested by OGE, I have also annotated Mr. Rosen's Incumbent Report regarding the matters raised in OGE's fax. This was done after conferring with Mr. Rosen yesterday (on the attached fax, I have handwritten the clarifications as provided to me by Mr. Rosen). By phone, I provided Ms. Kane-Piasecki with the information and clarifications she requested, and I explained to her how I had annotated Mr. Rosen's Incumbent Report. This was acceptable to her, and she had no further questions.
