Re: Additional Information Request FBI-41 (LA Field File on Edward Becker and Informant File)

Dear Carol:

The ARRB staff requests access to the Los Angeles Field Office file on Edward Becker, LA File number 92-2675. We note that the Headquarters file, number 92-9927, on Mr. Becker is already being processed under the JFK Act.

If the Los Angeles field office file on Mr. Becker has already been processed or has been designated for processing under the JFK Act, please advise us of its current processing status.

The ARRB staff also requests access to the Headquarters and Los Angeles field office informant file(s) for the informant who provided the information recorded in file number 92-9927 (the Becker Headquarters file).

Thank you for your continuing cooperation.

Sincerely yours,

David G. Marwell
Executive Director
