Re: Additional Information Request FBI-43 (Joseph P. Kennedy, Sr. Files)

Dear Carol:

The Review Board requests access to certain FBI files and information relating to Joseph P. Kennedy, Sr.

First, please provide a list of all main files relating to Joseph P. Kennedy, Sr., and identify the case title for each file. We are not now requesting that the FBI make these files available for review.

Second, we wish to review the following field office files for the 1956 FBI investigations of Mr. Kennedy in connection with his appointment to the Presidential Board of Consultants on Foreign Intelligence Activities of the U.S. Government:

Washington	77-55753
New York	77-21786
Boston	77-7611
Miami	77-4136
Chicago	77-8327
Los Angeles	77-7781

Third, please identify any related files, including the case title of the file, that contain documents mentioning Mr. Kennedy. To the extent that this request presents difficulties that we may not have

anticipated, please notify us so that we may consider amending or revising the request. If records responsive to this request have already been processed or have been designated for processing under the JFK Act, please identify those records and advise us of their current processing status.

As always, thank you for your cooperation.

Sincerely yours,

David G. Marwell
Executive Director
