Re: INS Release of Marina and Lee Harvey Oswald INS Files under the
JFK Assassination Records Collection Act, 44 U.S.C. § 2107

Dear Mr. Tilley:

On November 25, 1996, the Review Board forwarded for inclusion in the JFK Collection two of four file folders comprising the original INS file for Lee Harvey Oswald (File No. A12 531 002). I am now forwarding the balance of the original Lee Harvey Oswald file, consisting of two more file folders. In addition, I am forwarding Marina Oswald's original INS file (File No. A12 530 645), consisting of one file folder.

Within the enclosed files, INS sought to refer certain documents to other agencies for clearance. Those documents have been referred and released, or are otherwise releasable, as explained in more detail in the attached memorandum. Accordingly, the enclosed files may now be placed in the open JFK Collection (one document in these files has been redacted, as explained in the attached memorandum).

Please execute and return the enclosed acknowledgment confirming the National Archives' receipt of these records.

Sincerely,

David G. Marwell

Executive Director
