Re: INS Compliance with the JFK Assassination Records Collection Act,
44 U.S.C. § 2107

Dear Mr. Hastings:

As you know, the Review Board must complete its work under the JFK Act by September 1998. In my recent conversation with James M. Leahy of your office, I requested that the Immigration & Naturalization Service ("INS") complete its outstanding obligations under the JFK Act by certain dates. Accordingly, this will confirm the Review Board's request that:

1. INS submit to the Review Board, by July 1, 1998, all documents whose release INS seeks to postpone in whole or part under the standards of the JFK Act;
2. INS place all its assassination records in the JFK Assassination Records Collection at the National Archives by August 3, 1998; and
3. INS submit to the Review Board, by August 3, 1998, its Final Declaration of Compliance under the JFK Act.

It is essential that INS adhere to these dates. Thank you again for your cooperation, and

please do not hesitate to contact me if you have any questions.

Sincerely,

Ronald G. Haron
Associate General Counsel
