Re: Assassination Records Review Board Subpoena of the Sixth Floor Museum
Under the JFK Assassination Records Collection Act, 44 U.S.C. § 2107

Dear Mr. Collins:

Thank you for your letter of March 20, 1998 regarding the deposition and document subpoena recently issued to the Sixth Floor Museum by the Assassination Records Review Board ("Review Board").

As you indicated, we "mutually agreed that the date and place to respond to the Subpoena will now be April 22, 1998, at 9:00 a.m. at the Sixth Floor offices in Dallas." In our discussions, you offered to make available, informally, the witnesses and records called for in the subpoena. This would be in lieu of a formal deposition. I told you that we would consider your offer, but that I would have to first consult with our General Counsel, who was then out of the country. I have now had an opportunity to discuss with the General Counsel, Mr. Jeremy Gunn, the possibility of proceeding informally, as an initial matter. We have decided that we should proceed through the formal subpoena process, as we originally planned.

Accordingly, we will proceed on the basis that the Sixth Floor Museum will make available on April 22 the witness(es) who will testify, under oath, regarding the subjects specified in the subpoena. In addition, we will proceed on the basis that the Museum will produce the records specified in the subpoena, which include original medical records from Parkland Hospital.

I will call you to confirm that the Sixth Floor Museum will comply with the deposition and document subpoena on April 22 so that I can make the necessary travel and court reporter arrangements.

Sincerely,

Ronald G. Haron
Associate General Counsel
