Re: Designation of Certain Walter Sheridan Records as Assassination Records Under the JFK
Assassination Records Collection Act, 44 U.S.C. § 2107

Dear Ms. Krupsky:

This is to inform you that the Review Board, at a September 23, 1998 meeting, voted to formally designate, as assassination records under the JFK Act, certain materials of Walter Sheridan in the possession of the JFK Library. These records were initially identified by the Library pursuant to its review under the JFK Act. Review Board staff also surveyed these materials and concurred in the Library's selection. The designated records are set forth in the attached list (Attachment A hereto).

Sincerely,

Ronald G. Haron
General Counsel
