RE: Conference Calls

PAGES: 2, including this cover sheet.

The AT&T operator will begin placing calls to all of you except Kermit at approximately 2:23 p.m. on Friday, March 6, for the conference call scheduled for 2:30 eastern. The ID # for the call is CR 62600. To patch in, call 1-800-232-1234.

Since it is uncertain at this time whether there will be a Board meeting next week, I am sending availability charts so that I have the information I need to set up a conference call instead if there is no meeting. Please return the chart to me by Friday, March 6.

Thanks.
