Re: Additional Information and Records Request FBI-20 (DL-282-S)

Dear Carol:

The ARRB staff requests access to the Dallas field office and Headquarters informant files for DL-282-S for the years 1962-64. We believe that the Headquarters file number is 105-131209 and the Dallas file number is 134-332. Our interest in these files stems from the discussion on the enclosed page, which recently was sent to College Park for release without redactions under the JFK Act.

As always, thank you for your cooperation.

Sincerely yours,

David G. Marwell
Executive Director
