Re: Department of Defense Compliance with the John F. Kennedy Assassination Records  
Collection Act, 44 U.S.C. § 2107

---

Dear Mr. Aly:

In conjunction with the meeting today between the Assassination Records Review Board staff and the Department of Defense, I am attaching a document that should help you identify the type of DOD records that would relate to the assassination of President John F. Kennedy. We request that you undertake appropriate measures to ensure that the Department of Defense and its service components conduct a comprehensive search for the records on the list.

We will be happy to work with you to revise, wherever appropriate, the scope of the search for records identified on the enclosed list.

Sincerely yours,

T. Jeremy Gunn  
General Counsel
