## MEMORANDUM

July 7, 1995

### BY FACSIMILE

To: Steve Tilley, NARA

From: Joe Freeman, ARRB

Subject: Document Request

Per our earlier conversation, these are the documents I'd like to look at Wednesday at Archives II. My intention with the Warren Commission exhibits is to ask for documents *only*. Just skip any Warren Commission exhibit request that turns out to be anything other than a document. Thanks very much!

Also, could Box 1 (I don't know if there are more than one) of Record Series *Letters Received From the Public After the Committee's Expiration* be pulled.
