July 17, 2017

BY CERTIFIED MAIL

To: Nina Noring, Department of State

From: Irene Marr, Senior Analyst, ARRB

Subject: Returning Items

As the Review Board is shutting down on September 30, we are returning copies of data diskettes containing RIF numbers to the respective agencies. We no longer need the disks and Steve Tilley will have received the updated data for the complete JFK Collection at NARA.

Once again, thank you for your assistance.
