Re: US Secret Service Equities in Department of Justice Documents

Dear Jane:

I am writing to request your review of the enclosed documents from the "classified subject file" of the Department of Justice Criminal Division. These records, which are at NARA but not open to the public, appear to contain Secret Service equities. In order to assist NARA, the Assassination Records Review Board is forwarding them to you for your examination. All of these documents contain references to issues pertaining to the assassination of President Kennedy.

We ask that you complete your review of these records no later than March 21, 1997. If you do not wish to make any postponements, please forward these records to Steve Tilley and notify us. If you do wish to make postponements, please return these records to our office so that the Assassination Records Review Board can make its final determinations.

We appreciate your assistance in this matter.

Sincerely yours,

David G. Marwell
Executive Director
